

Sibel Doral's Tunisian Stitch Class - Working with 2 colors and learning Houndstooth Pattern

What students should expect to learn:

1. Students will learn a new crochet technique. The technique is easy to apply.
2. Students will also learn using two colors with Tunisian stitch technique.
3. Two different stitches will be applied and two different patterns will be obtained. One pattern is striped and the other one is Houndstooth pattern.

Material list that Student should bring to class:

Long Tunisian Hook size: US K, 6.5 mm.

Any two contrast colors of yarn. Preferably chunky fluffy yarn (light colors) one solid and the other one can be variegated, too. And for the stripe pattern cotton yarn will work best.
